

SECURE HOLIDAYS: PROTECTING YOUR FESTIVITIES ONLINE

FESTIVE CYBERSECURITY TIPS

Strengthen Your Passwords: Spread holiday cheer, not weak passwords! Create strong, unique passwords for your accounts and consider using a password manager.

Enable Two-Factor Authentication (2FA): Use two-factor authentication wherever possible. It's like adding twinkling lights to your account's security. It's a wonderful way to keep cyber grinchies at bay!

Update, Update, Update: Don't neglect your devices during the festivities! Keep your software, apps, and antivirus programs updated to stay protected.

Shop Safely Online: 'Tis the season for online shopping! Ensure secure transactions by shopping from reputable websites and avoiding suspicious links or deals that seem too good to be true.

HOLIDAY CYBER HYGIENE

Beware of Phishing Scams: Naughty or nice, cybercriminals won't hesitate to send phishing emails! Stay vigilant and avoid clicking on unexpected links or sharing personal information.

Secure Your Home Network: Protect your digital hearth! Set up a strong firewall, use secure Wi-Fi, and consider a VPN when connecting to public networks.

Gift Wisely, Share Carefully: Be cautious about the information you share on social media. Avoid posting sensitive holiday plans or details that could potentially be used by cybercriminals. Think twice before sharing your location or travel plans publicly.

Keep an Eye on Financial Activity: Regularly review your bank and credit card statements during the holiday season. Look for any suspicious or unfamiliar transactions. If spotted, report them immediately to your financial institution.

BE A CYBER-SANTA

Spread Awareness: Share these cybersecurity tips with your loved ones! Be the Cyber-Santa by spreading awareness about online safety during this festive season.

Support Cybersecurity Initiatives: Consider donating or supporting cybersecurity initiatives and organizations working to make the digital world safer for everyone.

*This holiday season, let's not only deck the halls but also safeguard our digital stockings! Stay cyber-safe and spread the joy of secure celebrations.
Happy Holidays!*
